

TAHQUITZ TALK- JULY 15, 2020

COVID-19 and Program Updates:

The safety of our Scouts and Scouting Community is our top priority and until the Riverside and San Bernardino County Health Department say otherwise, we are not able to meet in person or complete service projects. We know it is frustrating, and we want to see all the Scouts in the California Inland Empire back outside doing activities and service as well, but now is not the time for this. We ask that all Scouts, Scouters, and their families to stay safe as we all must come together to slow the spread of the virus.

Thank you for setting an example, being part of the solution, and for your support in helping Scouting remain safe and strong through these difficult times.

Virtual Meetings Continue

Share with us your virtual meeting ideas and what you're doing to keep your Scouts engaged. We would love to share your success with other units.

Popcorn News
